PROPOSED IEEE MOST 2027 WORKSHOP

D-CAPS 2027

Call for papers

International Workshop on Data, Computing, and Communication Infrastructure for Autonomous Physical Systems

Sunday, April 4, 2027 · Cal Poly Pomona, Pomona, California

PAPER SUBMISSION

February 12, 2027

Proposed deadline

AUTHOR NOTIFICATION

February 28, 2027

Topics and submissions

We invite foundational research, prototypes, measurements, and deployment studies on data, computing, communications, and sensing infrastructure for autonomous systems. Submit up to six pages, including references, in IEEE double-column format. Review is single-blind. Include author names and affiliations.
